

The Little Duck project is our way of giving back to deserving schools, organizations and individuals.

How the program works:

- 1) Sponsor a CPR Class by NTXCPR at your location.
- 2) Get a group of at least 12 people to sign up for a CPR class.
- 3) Upon completion of the class, NTXCPR will issue a check for 20% of the gross revenues to the deserving individual, school, organization or charity of your choice.

Goal for 2013

Invest \$6,000 back into the community
